COSCP Capital Campaign Update July 2021

Just Two More Months!

The final touches are being added to our new Church and Parish Center. The major liturgical pieces made for us in Italy (marble altar, ambo, presiders chair, etc.) have been delivered and will soon be installed. Sound, heating and cooling systems are being installed inside the buildings and landscaping is being completed outside. After Bishop Kevin Vann dedicates our new Church on September 11th, we will begin celebrating Mass in our beautiful new worship space! Let's start planning who we will invite to join our community of faith at Christ Our Savior.

THANK YOU to the **690 families** that have made a pledge to the Capital Campaign, moving us closer to Father Joe's vision of a debt-free home for our parish family. *Will you join us?*

Welcoming benches placed outside the Parish Center.

Liturgical items in crates are ready to be installed.

Many Ways to Build up our Parish

In addition to becoming a **Founding Donor** of our permanent Church and Pastoral Center, you can also help build up this community of faith, for the glory of God, in other ways.

Everyone can offer Christian love by being genuinely **hospitable** to everyone that comes to Christ Our Savior Parish. We are a family!

Everyone can also volunteer to **serve** others in a ministry: Eucharistic Minister, Lector or provide Hospitality at Mass, or take communion to the homebound, serve refreshments after Mass, help with religious education classes, coordinate food collections, or volunteer for other parish projects.

Capital Campaign Status – July 2021

The initial Capital Campaign in 2017 generated pledges from 547 parish households which totaled \$2,041,029. **We are counting on everyone to complete their pledges: \$127,517 is still due.**

The Capital Campaign Extension has a **goal of \$2 million** to cover the shortfall from the initial campaign plus increased construction costs.

As of July 8th, 2021, the response is:

| | |
|------------------------------|-------------------|
| New Pledges | 143 |
| Additions to initial Pledges | 199 |
| Amount Pledged | \$1,042,975 |
| Still Needed | \$ 957,025 |

WE CAN DO THIS!

Together let us Build a Home for our Parish Family!
