## COSCP Capital Campaign Update October 2021

### Founding Donors of Christ Our Savior Church

For over 1,000 parishioners attending the Dedication on September 11<sup>th</sup>, a lasting memory was made – one of the pinnacles in the practice of our Catholic faith. What a wonderful Celebration!

Some people expressed questions since then about how all of the donors that made this beautiful new church possible will be recognized. **First**, since recognition is given for the amount paid, not pledged, it is customary that donors are not publicly recognized until the end of the Capital Campaign, June of 2023 in our case. This allows people to complete and even increase their pledges, as well as allowing new parishioners to also help build the church. *(Note below that we still need \$850,717 in new pledges in order to pay for church construction.)* **Second**, ALL donors will have their names inscribed in a permanent Book of Founding Donors placed in the Parish Center. **Third**, while God knows the generous hearts of all donors, in order to encourage the large gifts needed to complete this \$23 million project, donors of \$4,000 or more will also have their names inscribed on a plaque on the church. The location and design will be determined in the coming year. *(Continued at lower left below)*

#### Founding Donors *(Continued from above)*

**Fourth**, donors of \$5,000 or more may also have their name inscribed on a plaque at the Our Lady of La Vang Shrine. **Fifth**, donors of \$15,000 or more also have the option of adding “in honor of...” or “in memory of...” with their name.

Current parishioners can add to their pledge, and people new to Christ Our Savior Parish are also invited to become a “Founding Donor”. Simply pick up a Capital Campaign Pledge Envelope after Mass. You have 20 months to complete your pledge, helping provide this holy place for worship for generations to come!

#### Capital Campaign Status – Oct. 2021

The initial Capital Campaign in 2017 generated pledges from 547 parish households which totaled \$2,158,438. **We are counting on everyone to complete their pledges: \$117,993 is still due.**

The Capital Campaign Extension has a **goal of \$2 million** to cover the shortfall from the initial campaign plus increased construction costs.

As of October 2, 2021, the response is:

New Pledges	166
Additions to initial Pledges	212
Amount Pledged	\$1,149,283
<b>Still Needed</b>	<b>\$ 850,717</b>
