

## COSCP Capital Campaign Update January 2022

### Blessed Sacrament Chapel

Have you visited the Blessed Sacrament Chapel in our new church? It is located behind the Sanctuary and houses the Tabernacle. It contains chairs with kneelers for comfortably spending time with our Lord in the Blessed Sacrament.

You can enter the Blessed Sacrament Chapel from the church through a door to the left of the Altar. There is also an outside door leading from the south side of the church. The Blessed Sacrament Chapel is open for visiting when the church is open for Masses and during parish office hours.

### The Tabernacle

The beautiful Tabernacle was designed by the same artist that created the Altar and Ambo for our church. You can see it through the colored glass behind the Altar during Mass as well as when you are in the Blessed Sacrament Chapel. Security cameras and sensitive alarms are installed in the Chapel to protect the sacred Body and Blood of Christ, our Savior.

### Your Pledge Makes a Difference

**Thank you** to the 721 families that made a Capital Campaign Pledge to help build this beautiful permanent home for our parish family! We are counting on everyone to complete their pledges to finish paying for construction costs.

We still need more pledges in order to pay for not only the construction, but liturgical art for the church, and to install the pipe organ that was donated. More than a one-time donation, a pledge is a promise to make meaningful monthly gifts through June 2023. If you have not yet made a Capital Campaign Pledge, please join your fellow parishioners by doing so now.

### Capital Campaign Status – Jan 1, 2022

The initial Capital Campaign in 2017 generated pledges from 547 parish households which totaled \$2,021,332. **We are counting on everyone to complete their pledges: \$78,072 is still due.**

The Capital Campaign Extension has a **goal of \$2 million** to cover the shortfall from the initial campaign plus increased construction costs. As of January 1, 2022, the response is:

New Pledges	174
Additions to initial Pledges	215
Amount Pledged	\$1,229,748
<b>Still Needed</b>	<b>\$ 770,252</b>
