COSCP Capital Campaign Update April 2022

Christ Our Savior Church Reconciliation Rooms

Have you gone to Confession in the **Reconciliation Rooms** in our new Church? As you turn from the Baptismal Font and face the Altar, the two Reconciliation Rooms are located on the right side of the church, behind the last pews. The glass walls are frosted to conceal the identity of the person going to confession although you can see whether or not someone is inside. The inside of the Reconciliation Rooms (*or Confessionals*) is designed to give you a choice of kneeling behind a solid partition while you confess your sins or of sitting face-to-face with the Priest as he hears your confession and gives you absolution. God's great mercy is waiting for you there.

We Are Counting on You!

We can't say **Thank You** enough to the 723 families and individuals that made a pledge to help build our first permanent buildings – the Church and Parish Center. We are counting on the families that have not yet fully paid their pledges to help pay the remaining construction bills. Pledges are to be completed by June of 2023.

If you are new to Christ Our Savior Parish you can still become a "Founding Donor". **If you have completed your pledge** and can give more, an addition to your gift would be a blessing for our parish and for you!

Capital Campaign Status – Apr 2022

The initial Capital Campaign in 2017 generated pledges from 547 parish households which totaled \$2,023,583. **We are counting on everyone to complete their pledges: \$70,222 is still due.**

The Capital Campaign Extension has a **goal of \$2 million** to cover the shortfall from the initial campaign plus increased construction costs. As of April 14, 2022, the response is:

New Pledges	178
Additions to Initial Pledges	217
Amount Pledged	\$1,262,803
