"The way Jesus shows you is not easy. Rather, it is like a path winding up a mountain. Do not lose heart! The steeper the road, the faster it rises towards ever wider horizons."
St. John Paul II

WHO
We are looking for eight young adults, ages 19-29, who have a deep love of the Eucharist to serve as Perpetual Pilgrims for the 2025 Pilgrimage.

WHAT
A Perpetual Pilgrim acts as a steward of the National Eucharistic Pilgrimage, modeled after the Twelve Apostles who were invited to travel closely with Jesus while other disciples joined him for smaller parts of his journeys. This will be a very intense experience that is taxing spiritually, mentally, socially, and physically, but it is also a once in a lifetime opportunity to experience the life of the Apostles as depicted in Scripture.

WHEN
The Pilgrimage will begin in mid-May 2025 and conclude in late June. Applicants must also be available for an in-person retreat February 14-18, virtual formation nights on Mondays throughout the Spring semester, and for some time after the Pilgrimage for post-Pilgrimage formation.

WHERE
This 2025 Pilgrimage will begin in Indianapolis and conclude in Los Angeles.

This weekend we have a second collection for World Missions. A common understanding of mission in the Catholic Church is going to remote places of the earth to convert peoples who had never heard the Gospel of Jesus Christ. Over time and with the advancement of travel and communications the notion of people never having heard of Jesus Christ has changed. What the Church deems to be "mission" is more about support of local Churches that struggle to maintain the local clergy and religious as they attempt to find resources to sustain their parishioners' lives and to catechize.

I believe that in many places in our world the challenge of many of our sisters and brothers in Faith is having the resources to sustain their lives. Poverty does not allow the luxury of time and energy to pursue a spiritual life. Concerns of disease and the malnutrition of children occupies the thoughts and actions of many people in their daily lives.

Missionaries first order of business is to establish a stable living for the people they serve. By addressing their people's daily needs, missionaries can enhance the faith of many people who believe in the salvation found in Jesus Christ. An empty stomach or a sick child with no access to medical care are great distractions for any luxury of practicing the faith.

I urge you to be generous. We have been gifted with the resources to ensure stable daily living. I am sure you are grateful for not having to worry about where your next meal will come from or if you can obtain medical care when you or a member of your family are sick. Please consider the needs of our sisters and brothers in faith who are distracted by poverty

Mensaje del Pastor

Este fin de semana tenemos una segunda colecta para las Misiones Mundiales. Un entendimiento común de la misión en la Iglesia Católica es ir a lugares remotos de la tierra para convertir a pueblos que nunca han escuchado el Evangelio de Jesucristo. Con el tiempo, y con el avance de los viajes y las comunicaciones, la noción de que hay personas que nunca han oído hablar de Jesucristo ha cambiado. Lo que la Iglesia considera "misión" se trata más de apoyar a las Iglesias locales que luchan por mantener al clero y a los religiosos locales mientras intentan encontrar recursos para sustentar la vida de sus feligreses y catequizarlos.

Creo que en muchos lugares de nuestro mundo, el desafío de muchos de nuestros hermanos y hermanas en la Fe es contar con los recursos para sustentar sus vidas. La pobreza no permite el lujo del tiempo y la energía para llevar una vida espiritual. Las preocupaciones por las enfermedades y la desnutrición de los niños ocupan los pensamientos y las acciones de muchas personas en su vida diaria.

La primera tarea de los misioneros es establecer una vida estable para las personas a las que sirven. Al abordar las necesidades diarias de su gente, los misioneros pueden fortalecer la fe de muchas personas que creen en la salvación que se encuentra en Jesucristo. Un estómago vacío o un niño enfermo sin acceso a atención médica son grandes distracciones para cualquier lujo de practicar la fe.

Les pido a ser generosos. Hemos sido dotados de los recursos para garantizar una vida diaria estable. Estoy seguro de que están agradecidos por no tener que preocuparse de dónde vendrá su próxima comida o si podrán obtener atención médica cuando ustedes o un miembro de su familia estén enfermos. Por favor, consideren las necesidades de nuestros hermanos y hermanas en la fe que están distraídos por la pobreza.

Lời Nhắn từ Cha Xứ

Cuối tuần này, chúng ta sẽ có đợt quyên góp thứ hai cho các Sứ Mệnh Thế Giới. Một nhận định chung về sứ mệnh trong Giáo Hội Công Giáo là đến những nơi xa xôi trên trái đất để rao truyền Phúc âm của Chúa Giêsu cho những người chưa bao giờ nghe đến Ngài. Theo thời gian và với sự tiến bộ của du lịch và truyền thông, quan niệm của những người chưa bao giờ nghe đến Chúa Giêsu Kitô đã thay đổi. Những gì Giáo Hội coi là "sứ mệnh" chủ yếu là hỗ trợ các Giáo Hội địa phương đang cố gắng duy trì giáo sĩ và tu sĩ địa phương và họ cố gắng tìm kiếm nguồn lực để duy trì cuộc sống của giáo dân và dạy giáo lý.

Tôi tin rằng ở nhiều nơi trên thế giới, thách thức của nhiều anh chị em trong Đức tin của chúng ta là có đủ nguồn lực để duy trì cuộc sống của họ. Nghèo đói không cho phép họ có đủ thời gian và năng lượng để theo đuổi đời sống tâm linh. Mối lo về bệnh tật và tình trạng suy dinh dưỡng của trẻ em chiếm hết suy nghĩ và hành động của nhiều người trong cuộc sống hàng ngày.

Nhiệm vụ đầu tiên của các nhà truyền giáo là thiết lập một cuộc sống ổn định cho những người họ phục vụ. Bằng cách giải quyết các nhu cầu hàng ngày của người dân, các nhà truyền giáo có thể nâng cao đức tin của nhiều người tin vào sự cứu rỗi tìm thấy trong Chúa Giêsu Kitô. Một cái bụng đói hoặc một đứa trẻ bị bệnh không được chăm sóc y tế là những sự xao lãng lớn đối với bất kỳ sự xa xỉ nào khi thực hành đức tin.

Tôi thúc giục anh chị em hãy quảng đại. Chúng ta đã được ban tặng các nguồn lực để đảm bảo cuộc sống ổn định hàng ngày. Tôi tin chắc rằng chúng ta rất biết ơn vì không phải lo lắng về những bữa ăn tiếp theo của mình sẽ đến từ đâu hoặc liệu chúng ta có thể được chăm sóc y tế khi chúng ta hoặc một thành viên trong gia đình anh chị em bị ốm hay không. Hãy cân nhắc đến nhu cầu của các anh chị em trong đức tin của chúng ta đang bị phân tâm bởi nghèo đói.
