7:00pm

Our Mission Statement

Christ our Savior Catholic Parish welcomes you to discover who you are, know that you belong to God and find your calling.

La Parroquia Católica Cristo Nuestro Salvador te da la bienvenida para que descubras quién eres, sepas que perteneces a Dios y encuentres tu llamado.

Giáo xứ Chúa Kitô Cứu Thế chào mừng bạn đến để khám phá bản thân, để biết mình thuộc về Thiên Chúa và rồi nhận ra ơn gọi của chính mình.

CHRIST OUR FOUNDATION. CHRIST OUR HOPE. CHRIST OUR SAVIOR.

My mother shared a story with me recently about my dad. They had built a house in Joshua Tree, California. They both enjoyed watching all of the different animals that lived out in the desert. They set up a drinking fountain outside of their dining room window where they could watch the birds and other animals come for a drink. They had a bobcat come one time.

One day, my Dad found a tarantula in the garage. He captured the tarantula and released it into the desert. The next day, he found another one crawling through the garage. What he discovered was that when tarantulas migrate, they follow the same path every year. So, my Dad decided to keep the back door and the big garage door open during the time of migration. He cleared a path for the tarantulas to pass through the garage.

My Dad was a veteran of the Korean War. As he grew older and reflected on his time in Korea, he was deeply troubled by the thought that he may have killed Chinese soldiers. It had incorporated into his life a profound respect for all life and would not kill any animal. If he found some insect in the house or his garage, he would do his best to capture it and release it outside. The last words my Dad spoke to me before he died was that he was afraid. I know why he was afraid. He might be held responsible for anyone he had killed in war.

I share this story with you because at this time in our world, going to war, or any other euphemism we may use to describe the use of the military, has the consequence of killing people, especially non-combatants. There are also the consequences of how it affects the personnel of our military.

Mi madre compartió conmigo recientemente una historia sobre mi papá. Habían construido una casa en Joshua Tree, California. A los dos les gustaba observar a los diferentes animales que vivían en el desierto. Colocaron una fuente de agua afuera de la ventana del comedor para poder ver a los pájaros y a otros animales venir a beber. Una vez incluso apareció un lince.

Un día, mi papá encontró una tarántula en la cochera. La capturó y la liberó en el desierto. Al día siguiente encontró otra arrastrándose por la cochera. Lo que descubrió fue que cuando las tarántulas migran, siguen el mismo camino cada año. Así que mi papá decidió mantener la puerta trasera y la gran puerta de la cochera abiertas durante la época de migración. Despejó un camino para que las tarántulas pudieran pasar a través del garaje.

Mi papá fue veterano de la Guerra de Corea. A medida que envejecía y reflexionaba sobre su tiempo en Corea, le perturbaba profundamente la idea de que podría haber matado a soldados Chinos. Esa experiencia incorporó en su vida un profundo respeto por toda forma de vida, y no mataba a ningún animal. Si encontraba algún insecto en la casa o en su cochera, hacía todo lo posible por capturarlo y liberarlo afuera. Las últimas palabras que mi papá me dijo antes de morir fueron que tenía miedo. Sé por qué tenía miedo: pensaba que podría ser considerado responsable por cualquiera a quien hubiera matado en la guerra.

Comparto esta historia contigo porque, en este momento en nuestro mundo, ir a la guerra o cualquier otro eufemismo que usemos para describir el uso del ejército tiene como consecuencia la muerte de personas, especialmente de no combatientes. También están las consecuencias de cómo esto afecta al personal de nuestras fuerzas armadas.

Gần đây, mẹ tôi kể lại cho tôi một câu chuyện nhỏ về ba tôi. Ba mẹ tôi đã từng xây một căn nhà ở Joshua Tree, California, giữa vùng sa mạc yên tĩnh. Hai người rất thích ngồi bên cửa sổ phòng ăn để ngắm nhìn những loài vật sống quanh đó. Ba tôi còn đặt một máng nước nhỏ bên ngoài cửa sổ để chim chóc và các con vật trong sa mạc có thể đến uống nước. Nhờ vậy, họ có thể ngồi trong nhà mà vẫn nhìn thấy chim, thỏ sa mạc, và có lần còn thấy cả một con linh miêu (bobcat) ghé qua. Một ngày kia, ba tôi phát hiện một con nhện tarantula trong nhà để xe. Ông cẩn thận bắt nó rồi mang ra thả lại vào sa mạc. Nhưng hôm sau lại có một con khác bò vào nhà để xe. Sau đó ông mới biết rằng vào mùa di cư, nhện tarantula thường đi theo cùng một con đường mỗi năm. Vì thế, trong thời gian ấy, ba tôi quyết định mở cửa sau và cửa lớn của nhà để xe, rồi dọn một lối đi để những con nhện có thể đi ngang qua gara mà không bị làm phiền.

Ba tôi là một cựu chiến binh của Chiến tranh Triều Tiên. Khi lớn tuổi hơn và có nhiều thời gian suy nghĩ lại về quá khứ, ông thường cảm thấy day dứt vì nghĩ rằng có thể mình đã giết những người lính Trung Quốc trong chiến tranh. Có lẽ chính vì vậy mà sau này ông dành một sự tôn trọng rất sâu sắc cho mọi sự sống. Ông không muốn giết bất cứ con vật nào nữa. Nếu trong nhà hay trong nhà để xe có một con côn trùng nào đó, ông luôn cố gắng bắt nó rồi mang ra thả bên ngoài.

Những lời cuối cùng ba tôi nói với tôi trước khi qua đời là: "Ba sợ." Tôi hiểu vì sao ông sợ. Ông lo rằng mình có thể phải chịu trách nhiệm về những gì đã xảy ra trong chiến tranh.

Tôi chia sẻ câu chuyện này với anh chị em vì trong thế giới hôm nay, khi nói đến chiến tranh hay bất cứ cách nói nào khác về việc sử dụng quân đội, thì hậu quả cuối cùng vẫn là con người bị giết hại, đặc biệt là những người dân vô tội. Và chiến tranh cũng để lại những vết thương rất sâu trong tâm hồn của những người lính đã từng tham chiến.

Xin chúng ta tiếp tục cầu nguyện cho hòa bình trên thế giới, và cầu nguyện cách riêng cho những người đang phục vụ trong quân đội, cũng như cho tất cả những ai đang mang trong lòng những vết thương của chiến tranh.
